### **PRINCIPAL'S MESSAGE**

As we come to the end of June I would like to thank the school community for another great school year. It is thanks to the students, parents and staff that Baltimore PS is such an amazing place to learn!

Once again I would like to thank the School Council on behalf of the school community. The Council members work throughout the year to enhance the student experience at Baltimore PS. The Council helps to support visits from guest speakers during the year, provides funding to cover the costs of busing to a number of different events and activities and they continue to plan and organize the development of outdoor facilities at the school. The work they do organizing and fundraising helps to ensure that we are able to offer all of the great opportunities our students participate in. I would also like to thank our parent and community volunteers for continuing to give their time. The volunteers help to support students at school through reading and math programs, attend field trips and help to keep our school looking great. Thank you, as well, to all of our parents. Your support, and the work you do with your child, is a huge part of what makes Baltimore PS amazing. Finally, I would like to thank the teachers for the work they do every day, and the time and creativity they put into enhancing the student experience at our school. When we all work together our students are the ones who reap the benefits!

Please join me in congratulating Mrs. Gallant on her retirement. Mrs. Gallant has been one of the first staff that many of our students have worked with when coming to Baltimore PS, and as a result she has helped to develop the great community that our school is. Although she will be greatly missed by the students, community and staff, we wish her all the best. I am sure that she will be by to "check in" on us from time to time.

I hope that everyone has a safe and enjoyable summer, and I look forward to seeing the students back in September!

John Goheen

## REGISTRATION NOW FOR KINDERGARTEN

As we get ready for next year, the number of staff our school receives is based on the number of students we have registered. The school Board is doing next year's staffing now. **So, if you know anyone with a school aged child that has not yet registered please ask them to register now. Maybe there is a new family in your neighborhood that might not know they should be registering their child now.** Often we get students registered in September and this can be too late to factor in to how many staff our school gets.

Term 2 Report Cards go home

Tuesday, June 25<sup>th</sup>

**Important that the signature page is signed and returned to the school no later than the morning of Thursday, June 27<sup>th</sup>**

## COUNCIL MATTERS

School Council will hold their **final meeting** of the current Baltimore School Council on **June 19<sup>th</sup>** .

## PARENTS AS PARTNERS.....

### Baltimore is Nut Safe

Be sure to read ingredients of processed baked goods and treats before sending to classroom events. **The factory/bakery packaging needs to say "nut" free/tree nut free" guarantee**

**Grade 6 Celebration on Monday June 24<sup>th</sup>, the students need to be here in Mrs. Kernan's class at 5:45 pm** so the ceremony can start at 6:00 pm, followed by the pizza party that will be supervised until 9pm. If you can help out, let Mrs. Kernan know.

**Our Yearbook is really exciting this year with lots of pictures from events throughout the school year. Order forms will be sent home in the near future.** Thanks to School Council for helping with the cost and Heather Atkins for working to create our yearbook. Students will get their copy the last week of school and have an

opportunity to go around the school to get autographs from friends and staff.

### BRIEFLY NOTE:

**YMCA Northumberland will offer Before and After School Child Care service for September 2019. For more information contact Debbie Brown, Manager Child Care at 905-372-4318 ext 404**

**Students can only ride on the bus they are assigned to** -if you are going to a friend's place after school (ie. birthday party), you will have to make other arrangements with you family and friend

**Students riding bikes !!!!** are reminded of helmet safety, and students will be dismissed with their bikes once the buses have left the school property

**Safe Athletic Footwear** - Students are really enjoying running, skipping and playing various sports and games. Students that choose to wear flip flops and crocs for outdoor footwear are at risk for foot and ankle injuries. Parents, we strongly recommend you avoid these types of footwear for outdoor shoes at school.
